

November 2011

The entry form for the 2012 NCS USBCA Senior Open and Women's Tournament to be held **June 2 & 3** and **June 9 & 10, 2012** is on this website page.

The deadline for submitting these entries is **April 23, 2012**.

Any USBC-certified male or female bowler who is **55 years of age or older** at the time of participation in this event may enter the tournament. There are five age divisions each in the Open and Women's tournaments. The rules provide the breakdown of ages for each division. And the winner of each division's all events will qualify to participate in the 2013 USBC Senior Championships.

The location for this year's tournament is at Sandhills Bowling Center in Aberdeen, NC. The tournament is being hosted by the Sandhills USBC Association. Aberdeen is located south of Southern Pines, and the bowling center is on NC Highway 5. (A map with directions to the location will be mailed with confirmation letters.) This will be an opportunity to enjoy a combined golf vacation and enjoyable tournament if you submit the entry form quickly and make reservations early from the hotel information you'll receive with the confirmation letter.

Please print a copy of this entry form for yourself and other senior bowlers who may want to participate in this tournament.

We hope to have as many or surpass the number of entries we had for the 2011 tournament in Shallotte, NC. With your entry and those of other seniors, we should be able to meet that target.

Many thanks, and we look forward to seeing you in Aberdeen!

Sincerely,

A handwritten signature in black ink, appearing to read 'Paul Ehresmann'.

Paul Ehresmann
